By now, most of you who have us both friended have probably seen T.'s post (<http://trollcatz.livejournal.com/54097.html>)_. And you know that Daphne did not survive her injuries. I read her all your emails and comments. Thank you.

...I'm tired of typing and erasing things.

I'm not ready to talk about it.

It feels hopelessly inadequate, but I am so sorry for your loss. And T's, and everyone else who knew and loved her.

Sorry. So sorry. I couldn't reply to T's post. Just... I guess we're here, hey? If that helps? Whenever?

love

I'm raising a glass of Scotch to her tonight, in company with someone else who knew her a bit. (I'll let him speak up if he wants to.) And I donated to My Sister's Place.

She will be missed.

There'll be a time for words, now is the time for taking care of yourself, and T.

We'll be here when you're ready to deal with us again.

I'm so, so sorry.

That picture? Has, to me, a feeling of deep serenity and comfort, of a perfect moment, caught.
